- 17. Participants with disabilities.** Any competitor who requires auxiliary aids or special accommodations must contact their respective District Extension Office at least two weeks before the competition to make a request or note the accommodations needed when registering on 4-H Connect.
- 18. To check in and receive your show credentials you must have and present to show officials a current negative EIA test that is valid through the show. If a current EIA certificate (or Coggins) is not provided at check in, the horse(s) will not be allowed to unload. You may upload an electronic copy (PDF or JPG) of each horse's Coggins onto 4-H Connect at the time of registration or send to your County Extension office. - 19. Exhibitor Packets.** Individual contestants are required to pick up their contestant packet at the registration area prior to showing.
- 20. Working Order.** The working orders for performance classes are drawn randomly and printed in the official show program. Events are scheduled in the most logical sequence considering contestants showing a horse in more than one event.

Participants and their parents are responsible for keeping track of working orders and being in line or in the makeup area when their run or heat time arrives. If participants miss their heat or run, they will FORFEIT THEIR RUN IN THE CLASS MISSED UNLESS THE CLASS SUPERINTENDENT IS NOTIFIED OF AN UN-PREVENTABLE EMERGENCY BEFORE THE TIME TO WORK HAS PASSED. REQUESTS FOR CHANGES NEED TO BE MADE AS EARLY AS POSSIBLE.
- 21. Speed Event Gates.** For speed events except the Stakes Race, participants and horses will be allowed to exit through the alley. A gate will be closed behind the alley between it and the barn. However, if a participant wishes to have the arena gate closed during his run, he must let the class coordinators/gate men know. It will be the option of the participant to run with an open or closed arena gate. The alley gate will be closed.

- 26. Riding and Working Limitations.** Only participants may ride or work horses on the show grounds and must be wearing a contestant back number.

The fair complex does not allow outside shavings to be brought in. If not paid in advance on 4-H Connect, stalls and RV spots will be available at the show on a first-come, first-served basis.

- 34. Educational workshop.** This year on Monday evening from 6-9 p.m. before the Regional 4-H Horse Show there will be two educational workshops to help youth learn more about certain events in the horse program. This year we will be offering clinics for 4-H'ers, families, and leaders wanting to know more about Stock Horse Horsemanship, Cow Boxing and Ranch Sorting. This will be excellent opportunity for members to learn about these new opportunities. These educational events are open to interested members on a first registered first served basis at a cost of \$25 per member (to help defray expenses). The first 25 youth to register through 4-H Connect who select this option will be welcome in the workshop.
