UPDATES & REMINDERS

I. Junior Show General Information

Junior Show Entry: Entries must be submitted online, and postmarked on or before December 1, 2013.

i. Late Entries: Junior Show entries may be submitted from December 2-15, 2013. If accepted, all standard entry fees will be doubled.

ii. Late Entries: Junior Show entries may be submitted from December 16, 2013 until the end of check-in for the respective show or contest. If accepted, late entry fee will be $250.00 per entry.

iii. Show Management may turn away any late entry without explanation.

Quality Counts: Quality Counts verification will be required for all youth exhibiting livestock (market and/or breeding). The Quality Counts Verification Number must be included on the Junior Show Entry Form. To learn more about Quality Counts including the verification process, please visit: qualitycounts.tamu.edu.

Breeding Show Ownership Deadlines:

Original Registration Certificates will be used to verify ownership date for breeding animals with the exception of Wether Dams. Animals must be registered in the Herdbook of their Association in only the name of the Junior owner on or before the required ownership date (see below). Original registration certificates must state the name of the Junior owner only. Registration certificates that list any additional names besides the name the entry is under will be disqualified.

Purchase, delivery, possession, transfer, and registration must all take place on or before the required ownership date. Superintendents will check Original Registration Certificates at time of check-in. Registration Certificates must be available at all times.

Breeding Sheep: October 1, 2013 (Must be validated through Breeding Sheep Validation prior to Nov. 1)

Wether Dams: Must be validated through Lamb Validation prior to November 1, 2013

Breeding Goats, Breeding Beef, Dairy Heifers: November 1, 2013

Breeding Swine: December 1, 2013

Animal Testing: Medication received prior to the show. Animals under the care of a licensed veterinary and/or taking any type of performance enhancing medication which may include, but is not limited to, steroids, diuretics, anti-inflammatories, tranquilizers and pain killers, are ineligible for competition. Exhibitors with questions regarding medications and/or eligibility should consult with the Official San Antonio Stock Show & Rodeo Veterinarian prior to competition. In instances where an animal has been administered a drug that is FDA approved for its species, the exhibitor must be aware that the time it takes for no drug residue to be found in the system is generally longer than the labeled withdrawal time for most drugs. SALE maintains a ZERO TOLERANCE POLICY for unethically fitted livestock. Adequate time must have passed so that the animal does not test positive for drugs upon arrival. Once the animals arrive on the SALE grounds, they must remain free and clear of all drug and chemical residues.
