Each county may enter one contestant in each category for a total of thirteen (13) Juniors, thirteen (13) Intermediates, and fifteen (15) Seniors in the District Show.

Agents are responsible for policing qualifying entries at the county level in all categories based on category descriptions. However, if the District Office or the Fashion Show Judges find reason to question an entry and these reasons are validated, entry may be disqualified.

 **FASHION SHOW**

No one may change categories between District and State contests. However, participants competing at the County level may change categories between County and District as space and agent permits. Only one county entry per category per division is allowed at the District contest.

- Three minutes allowed for judging.
- Presentation will not be permitted during interview judging.
- No additional garments may be carried. All garments must be worn during the competition. However, props can be carried for the Fashion Show only (i.e. show stick, tennis racket, gold club, corsage, teddy bear). No props will be allowed during the judging process.
- All garments to be judged must have been purchased or constructed during participation in the current year's 4-H clothing project.
- Garments not fitting category description will be judged accordingly.
- Judging will be by category groups.
- Modeling in the Fashion Show will be county groups.
- There is one rehearsal for all contestants. They must be present.
- Natural Fibers is now a class just like construction or buying. A member may choose to only enter the Natural Fibers Contest or both the Natural Fibers Contest and the appropriate Construction or Buying division. A Natural Fiber contestant may be judged twice.
- **Junior contestants are allowed to construct one complete outfit or one piece of an outfit.** Judges will ask Junior contestants what part of their outfit they made.
- **Intermediate and Senior contestants must construct all parts of their outfit.** Entries not meeting these requirements will be judged accordingly.
- A 4-Her no longer has to be present for the awards ceremony to receive their award. However, it is **STRONGLY** recommended that the 4-Hers be present throughout the program.

TIES:

If ties occur, they will be broken using the State "tie breaker system." If a tie remains after using the system, the paperwork will be re-judged by the tabulations committee before the fashion show begins.

ALTERNATES:

Alternates will be accepted until 9:00 a.m. on February 2, 2011, in the District Office. Entry materials must be submitted to the tabulation committee before the judging begins.

FASHION STORYBOARD

Participants may enter only one storyboard. Entering on Connect and submitting the Fashion Storyboard the day of the contest constitutes the entry; there will not be an interview. The Fashion Storyboard Label must be securely affixed to the back of the storyboard. The label MUST be legibly printed or typed and MUST be complete, including the answer to the Originality of Design question. The 4-H member should not put his/her name on the front. Label can be found at the following [Fashion Storyboard Label](#) .

WINDOW WOWed

This is a new contest for the District beginning in 2011. The idea is for teams of up to five (5) members of any age to design a window display using merchandizing and marketing techniques to “market” fashion merchandise and products. Guidelines follow.

- Display area is 8 feet long, 8 feet high, and 30 inches wide. One 8 foot table will be provided.
- Display can start from the table or from the floor.
- Creativity is encouraged. Teams must provide everything they use in the display.
- Participants will have an hour and 30 minutes to complete the display.
- All teams will start and stop simultaneously.
- Theme: Wild about 4-H

REMINDERS

- It is each agent's responsibility to read the State Guidelines for Fashion Show and Fashion Storyboard contests. These are available at the FCS website <http://fcs.tamu.edu> . Under the Youth link, choose 2011 4-H Fashion Show and make needed selections.
- Each contestant is responsible for reading the Texas 4-H Fashion Show Guide and complying with the requirements. The contestant's signature on the worksheet signifies that she/he has read the guidelines and the entry complies.
- **Agents should advise contestants and parents that there is not a planned lunch break.** The judging, rehearsal, show, and Awards Program will not be over until “2:00 ish.” Parents and leaders should make sure that breakfast and/or nutritious snacks are available so 4-Hers can make it though the day.
