**Superintendents:** *Superintendents are responsible, with the assistance from other assigned agents, for on-site registration and award distribution. The District office will provide awards to you in advance of the event. Agent assignments were distributed in September and are listed below for your review. Superintendents for the contests where other agents are not listed should be sufficient staffing for that event.*

**If you would like to trade judging contest assignments with another agent or a trained adult volunteer, please send written notification to Dr. Montza Williams and Mrs. Shelia Lewis at least two weeks prior to the contest.**

The above mentioned judging contests are held in College Station on the specified date. As more information is made available it will be distributed to you. Further information usually comes via e-mail and will be forwarded to you for dissemination to your 4-H families. The information will also be posted to the District web page.

The competition teams do not have to be named during early registration but will have to be designated before the members register on site. Please make sure that your members are aware of the team on which they are to participate before they register on site.

### **Registration Process**

Registration for all contests will be conducted via 4-H Connect. The link can be found at the Texas 4-H home page <http://texas4-h.tamu.edu/> and is located on the right side of the screen as Join 4-H/Event Registration. Each participant must set up a profile, be approved by the county office, and then register for the event of their choice.

→ **Payments** for entry in an event are due **before** the event. Entries must show as paid on 4-H Connect by Noon the Friday before the event. **Late payments** will result in the 4-H member not being able to place or receive awards in the event. However, the member may still participate.

If you run into any problems, please let us know.
