

4-H Fashion Show

Sample Interview Questions

Answers to the following questions will determine the score in the first 30-point section of the scorecard, “Knowledge of Fiber and Fabric Characteristics.” They should be asked of every contestant.

- ✓ What is the fiber content of your garment (coat, dress, jacket, etc.)? Why does that fiber make it a good choice for your outfit?
- ✓ Are the fibers used in your garment natural or man-made? What are their generic names?
- ✓ What are the care requirements for your outfit? Will the care increase the overall cost of the garment?

The following questions do not relate directly to any particular item on the scorecard, but may help determine “poise and presentation skills” score and allow 4-Her’s to showcase their knowledge.

- ✓ In deciding on your garment, what was most important to you?
- ✓ Where will you wear this garment and how does it enhance your wardrobe? Could you change it to wear for different occasions?
- ✓ Why do you think we have care instruction labels on our clothing?
- ✓ When shopping for fabric, patterns, and notions what did you consider? (Construction Division)
- ✓ How did you evaluate the quality of the garments you compared? (Buying Division)
- ✓ Is there anything else that you would like to tell us about your garment?
