About the East Texas Show Star Series:

- ★ Open to all interested youth in 4-H & FFA
- ★ Must attend Saturday clinic to participate in Sunday Prospect Show
- ★ Go to <http://etsss.blogspot.com/> for more information or contact your local county extension office
- ★ For online registration—go to <https://agrilifeevents.tamu.edu/events/details.cfm?id=851>

The East Texas Show Star series Clinic and Prospect Shows are intended to provide an educational opportunity for 4-H and FFA members participating in the livestock project area. The main purpose is to teach the basic principles of livestock management as they relate to facility maintenance, selection, nutrition, animal health, handling, showmanship and transportation.

“Quality Counts” programs are discussed to ensure the safe and legal use of drugs or medications to facilitate the ethical care, development and exhibition of livestock.

Extension programs serve people of all ages regardless of socioeconomic level, race, color, sex, religion, disability or national origin.
