Leadership Activities (not more than 3):

Statement to be read by M.C. at Banquet about the honoree:
(examples of statements are attached)

Remember, all counties will get these same examples. To keep the statements from all being the same, use these as a guideline only, i.e. change or vary the wording, list goals, do they volunteer.

Three Examples of an “HONOREE STATEMENT”:

(1) *“Jim is responsible, hard-working, reliable, enthusiastic and always willing to help when needed. He is a willing leader for younger 4-H’ers and takes the time to show them how things are done. His outstanding projects of wood science, dairy and horse are those that his father and grandfather also enjoyed. Jim’s commitment to the 4-H program is being recognized tonight. He is the son of Mr. & Mrs. Jonathan Walters of Clover City.”*

(1) *(Everything you want to say. . . .). “_____ is the daughter of _____ and continues the legacy as she is a fifth generation Gold Star Honoree.”*

(1) *Renae has been an outstanding Clover County 4-H member since she began 4-H ten years ago. Sharing her “eye for fashion” has been an educational opportunity for Renae as well as the 130 Junior 4-H’ers she has led in the Clothing & Textile project. Renae’s goals include being the next household name in fashion. Renae is the daughter of Mr. & Mrs. Neon Lights of Runway City. Tommy Hilfilger better hang on to his hat when Renae’s fashions hit the market.”*
