

TEXAS 4-H CONGRESS

2020 Information

Texas 4-H Congress is a four-day mock legislative experience for 4-H members in grades 9th to 12th (at the time of the event). During this time, 4-H members assume the roles of legislators, lobbyists, and press corps to gain a first-hand understanding of how the legislative process works. Bills that are written and sponsored by 4-H members focus on issues concerning Texas and Texas youth. These bills are assigned to the appropriate committee, debated in committee meetings, and then on the floor of the House or Senate. If a bill is successful in negotiation and the legislative debate in all three stages, it is delivered to the Governor of Texas 4-H Congress for his or her signature or veto. Copies of all the bills that are signed into law during Texas 4-H Congress are provided to the Office of the Governor for review.

Age Eligibility

Official grades for Texas 4-H Congress are 9th grade to 12th grade (at the time of event). This is a prestigious event reserved for older 4-H members. Because of the number of 4-H members allowed to attend, counties should make it a priority to select older 4-H members for the House and Senate that have never attended the event.

Location

Headquarters for Texas 4-H Congress will be at the Sheraton Austin Hotel at the Capitol, 707 East 11th Street, Austin, Texas 78701.

Submitting Legislative Bills

CHANGES FOR 2020: Any 4-H member may submit a Texas 4-H Congress bill for consideration and debate.

Participating in Congress is not a requirement. Writing and submitting a bill provides each 4-Her the opportunity to participate in an exercise in civic engagement.

All participants in Texas 4-H Congress must submit a *COMPLETE* bill for consideration. “All” includes Texas 4-H Council and Technology Ambassadors. To accomplish the writing and submission of legislative bills, it is recommended that the County Extension Agent, or a volunteer, assist the youth in learning what a quality bill includes, how to write one, and then submitting the bill on-line. Refer to the Texas 4-H publication entitled “Understanding the Texas Legislative Process, A Guide for Participating in Texas 4-H Congress.” This publication is located on the Texas 4-H website. 4-H members from the same county, or other counties, are not allowed to submit the same bill for meeting this requirement.

All groups should be back at the Sheraton Hotel by 5:00 PM to ensure all luggage is in lodging rooms prior to the dinner starting at 6:00 PM.

Participant Quotas

Quotas are set for 4-H House and Senate members. The quota does not include adults, Texas 4-H Council, STEM Ambassadors (as part of leadership team), Press Crops, and/or Lobbyist member selections. Texas 4-H Congress strives to provide equal opportunity for all Texas 4-H members. If the Texas 4-H Youth Development Program is able to accomplish the stated district quota system, an additional educational challenge will be provided for participants as they work to pass legislation that affects just a rural or urban area.

Districts are encouraged to maintain an alternate list of delegates if their quota is filled. Alternates will be allowed after all districts, urban counties, and the Prairie View Cooperative Extension 4-H Program have submitted applications and delegate spots are still available. Please do not request exceptions to this quota system.*

Participant Communication, Dress and Forms

All necessary forms for Texas 4-H Congress will be posted on the Texas 4-H Congress website, as well as sent electronically to each participant in the Texas 4-H Congress participant packet. Copies of all communications will be sent via e-mail to county and district offices.

Suggested attire for the event will also be emailed. Dress for the theme party must be in line with the theme and presented in a non-offensive manner.
