Category Descriptions

ANIMALS – DOMESTIC - Photos focusing on the various animals that have been tamed and made fit for a human environment. To be considered domesticated, the animal must have their behavior, life cycle, or physiology systemically altered as a result of being under human control for many generations.

- *Examples: Chickens, cows, dogs, cats, geese/ducks (domestic use), hamsters, horses, pigs, sheep, goats, etc. All waterfowl (ducks and geese) such be entered in Animals – Wildlife.*

ANIMALS – WILDLIFE - Category focuses on animals not tamed or domesticated and commonly found in the wilderness or the bodies of water throughout the country and world. Photos can be of wildlife in nature, zoos, and/or petting zoos.

- *Examples: Birds, deer, elephants, snakes, whales, etc.*

CATCH-ALL - Photos that do not fit into one of the other categories.

- *Examples: Long exposure zoomed images, painting with light, polaroid image & emulsion transfers, still-life, etc.*
- Not allowed: County's use of this category to eliminate duplicate photos from multiple 4-H members.

DETAILS & MACRO - Getting in close is the name of the game for this category. The goal is to zoom in close on an object to see its finer details or to make small objects appear life-sized or larger than we do not normally get to see with the naked eye.

- *Examples: Insect eyes, veins on a leaf, a reflection in a water droplet, etc.*

DOMINANT COLOR – Photos with a dominant color. The dominant element in the image must be a specific color, such as red, yellow, blue, white, black, white, green, etc.

- *Examples: Bowl of lemons, in a yellow bowl, on top of a yellow table covering, with a bright yellow tone sun lighting on it.*
- Not allowed: Black and white photos and duotones.

New!

ELEMENTS OF DESIGN - Images use of graphic elements of design. Photos that showcase line, shape, pattern, form, texture, perspective, etc. Photo can consist of any subject matter.

- *Examples: Line, pattern, perspective, shape, etc.*
- Not allowed: Digital creations or graphic designs made in software such as Photoshop, InDesign or Illustrator.

ENHANCED - A single photo that has been technically manipulated to be an abstract, panoramic, stitched, or composite image. Other variations are allowed as well.

- *Examples: Software edited composites and creations, images greatly manipulated with a variety of filters, photos with artistic borders, photos stitched into a panoramic, etc.*

FOOD - A still life specialization of photography, aimed at producing attractive photographs of food for use in such items of advertisements, packaging, menus and/or cookbooks.

- *Examples: Cakes/pies, Easter eggs, fruits and place settings, ingredients, sandwiches, Thanksgiving dinner, etc.*
- Not allowed: A photo of alcoholic beverages.

LANDSCAPE & NATURE (NON-ANIMAL) - The focus of this category includes landscapes, outdoor scenes, nature images, sunsets, urban landscapes, seascapes, cityscapes, and farms. Images focus on the beauty of the outdoors.

- *Examples: Gardens/landscapes, outdoors, scenes, etc.*
- Not allowed: Primary subject is a person or wildlife.

LEADING LINE - This image composition technique features lines that draw the viewer's eye from point A to point B, which is the primary subject.

- *Example: A river that begins in the foreground and draws your attention to a photogenic bridge in the background.*

LONG EXPOSURE - Also known as time-exposure or slow-shutter, this technique involves using a long-duration shutter speed. It can be used to sharply capture stationary elements of an image while blurring, smearing, or obscuring the moving elements. It is also used in low-light conditions.

- *Examples: fireworks, moving water, light trails, Milky Way, light painting, night or low-light conditions, etc.*

MOTION/ACTION - The capture of movement within a single photo. The subject appears stopped or "frozen."

- *Examples: Ferris wheel spinning, sporting events, horse running across field, etc.*

PEOPLE - Photos focus from all walks of life, parenting and family, children, babies, models/fashion, sports, and couples. All individuals in the photos must have provided consent and permission as a subject. If requested, a release will be needed from the photographer and subject.

- *Examples: Babies, families, kids, portraits, models/fashion, etc.*

PLANT/FLORA - Photos of interesting, unique, and beautiful flowers and flora. Photography can occur outdoors or indoors. Photo subject should be that of a **single** flower, plant, bush, tree, etc. Large collections of plant/flora should be considered for entry into the Landscape & Nature category.

- *Examples: A rose, an upward shot of a tree, etc.*

REFLECTIONS – Focus on capturing reflections in various environments, such as water, mirrors, glass, or metallic surfaces. Highlight the symmetry and intriguing visual effects that reflections create, from serene landscapes mirrored in a lake to bustling cityscapes in puddles or building facades.

SHADOW/SILHOUETTE - A silhouette is an outline that appears dark (typically a single color) with little or no details/features against a brighter background. Recording patterns of light and shade for a desired effect or emphasis is the definition of a shadow. The silhouette or shadow must be the primary subject and focus of the image.

- *Examples: shadows/silhouettes of people, plants, animals, structures, architectures, or natural structures.*

TRANSPORTATION – Capture the essence of travel. From bustling city streets with cars and buses to serene rural scenes featuring bicycles and boats, this category celebrates the diversity of transportation methods that connect and move us through life.

- *Examples: Bustling urban streets, serene bicycle paths, busy waterways, trains, single vehicles, and even rockets.*

THEME - The 2024-2025 theme is “Patriotism.” Showcase images that reflect national patriotism. Capture symbols, ceremonies, and landscapes that embody the spirit of our country, from flag displays and national monuments to patriotic events and celebrations.
